START / DROP OFF: 7 am at Dry Cave/Haena Beach Park. **Group Photo.** Follow Kuhio Hwy until crossing to make a left onto the coastal path at north Kealia, then continue toward Java Kai in Kapa`a, on ocean side of Kuhio highway past the beach park.

1st Stop: **Java Kai.** Mahalo Sean Garcia!

Continue on coastal path, cross Wailua River, then join Kuhio Hwy and proceed to Hanamaulu intersection. Turn right, continue through Kapaia, turn left into Wilcox Hospital then right toward Walmart. Carefully turn right onto Ahukini and go a short distance to make a left on Akahi. Turn around and head makai on Ahukini until Palai St on right.
2nd Stop: Chet's house, 3195 Palai St., Lihu`e.

Head back out Ahukini toward the airport and turn right at airport intersection. At Rice St., turn left toward Nawiliwili and turn left at the harbor. Ride up past Menehune Fishpond. At the end of Hulemalu Rd., carefully turn left to go west on Kaumuali`i Hwy.

Immediately after the traffic light at Koloa Road and Lawai bridge, you have <u>two options:</u>
1. *Steeper at first but low traffic, scenic and shady:* Take the first right on Wawae. Follow back roads (partly closed to cars!) and wind around Wawae til it joins Pu`uwai, turn left, and follow til sign for Kalawai Park on right. -OR-
2. *Fast highway traffic, little shoulder, more direct:* Remain on Kaumuali`i until Kalaheo fire station, turn right/mauka then make an immediate right on Pu`uwai, continue to sign for Kalawai Park on left.
3rd Stop: Kalawai Park, Kalaheo. Meet by back bathrooms.

Continue west. After returning to highway in Kalaheo, move to left turn lane at Halewili Road (a.k.a. Numila, New Mill Hill, Coffee Road). At end of Halewili, carefully turn left to rejoin Kaumuali`i Hwy. Continue to Waimea then follow the coast to….

Alternate route: Ride the flat Mana plain out and back to Layne's.

FINISH: Potluck party at Lis & Steve Layne's. Open to cycling 'ohana not only K2K riders. Outdoor shower available. Open mic! (Dad jokes? Juggling? Music? *G-rated please*)
