Mission Statement

The mission of the Tradewind Cycling Team is to promote competitive bicycle racing in the State of Hawaii. We acknowledge that sportsmanship, teamwork, commitment, dedication and support for one another are the hallmarks of a successful cycling team.

We believe in the core values of being:

Inclusive – we welcome other competitive cyclists and cycling supporters to be part of our team and participate in our activities.

Respectful – we respect each other and embrace diversity as the core of our strength as a team.

Enthusiastic – we are enthusiastic promoters of our team, our sponsors and competitive cycling.

Active – we are active in team activities riding and racing with the team whenever we can, attending team events and volunteering for cycling-related events.

Good Examples – we know that by sharing the road with other users, riding safely and being good sports in-competition we further the cause of cycling.

Our core values represent the strength, character, and foundation of who we are: a team committed to presenting competitive cycling in a positive light while building solid and long-lasting relationships.

Membership applications are subject to review and acceptance by the membership committee.
