>> ROUTE <<-----

START / DROP OFF: 7 am at Dry Cave/Haena Beach Park. Follow Kuhio Hwy until crossing to make a left onto the coastal path at north Kealia, then continue toward Kapa'a. After Wailua River bridge, turn left down to Lydgate.

1st Stop: Lydgate Beach Park. Meet by main pavilion/bathrooms.

Continue on path to Kuhio Hwy, which becomes Kapule Hwy. toward Airport.

Optional Stop: Chet's house, 3195 Palai St., Lihue. Turn right onto Ahukini. Look for Palai St. on left. Head back out Ahukini toward the airport.

From Airport intersection, turn left on Rice St. toward Nawiliwili and turn left at the harbor. Ride up past Menehune Fishpond. At the end of Hulemalu Rd., carefully turn left to go west on Kaumuali'i Hwy.

Just after the Lawai bridge and traffic light at Koloa Road, you have two options:

1. *Steeper at first but low traffic and shady:* Take the first right on Wawae. Follow back roads (a bit is closed to cars!) and wind around Wawae til it joins Pu'uwai, turn left, and follow til sign for Kalawai Park on right. -OR-
2. *Fast highway traffic, little shoulder, more direct:* Remain on Kaumuali'i until Kalaheo fire station, turn right/mauka then make an immediate right on Pu'uwai, continue to sign for Kalawai Park on left.

2nd Stop: Kalawai Park, Kalaheo. Meet at back bathroom area.

Continue west. After returning to highway in Kalaheo, move to left turn lane at Halewili Road (a.k.a. Numila, New Mill Hill, Coffee Road). At end of Halewili, carefully turn left to rejoin Kaumuali'i Hwy. Continue to Waimea then follow the coast to....

3rd Stop: Lis & Steve's house, 8655 Kaumualii Hwy., Kekaha. After a break, start climbing Koke'e Road to Kanaloahuluhulu Meadow in Koke'e. Go as far up as you want then ride back down to Layne's.

Alternate route: Ride the flat Mana plain out and back to Layne's.

FINISH: Potluck party at Lis & Steve Layne's. Outdoor shower available.
